

The figure illustrates the experimental design for the study. It consists of two main parts showing stimuli used in the experiments.

Top Panel: Shows four stimuli, each consisting of a color patch and a corresponding flavor label. The stimuli are: Yellow (MALT FLAVOR), Green (TART FLAVOR), Red (BERRY FLAVOR), and Blue (CITRUS FLAVOR). Each stimulus also includes a small icon representing the texture or pattern associated with the flavor.

Bottom Panel: Shows eight stimuli arranged in a grid. Each stimulus consists of a color patch, a flavor label, and a corresponding icon. The stimuli are: MALT FLAVOR (Yellow), TART FLAVOR (Green), BERRY FLAVOR (Red), CITRUS FLAVOR (Blue), TEA FLAVOR (Light Green), PEACH FLAVOR (Pink), LEMONADE FLAVOR (Orange), and BERRY FLAVOR (Dark Green).
